

CRITICAL CARE NURSES & PROGRESSIVE CARE NURSES VIRTUAL CCRN® & PCCN® Certification Preparation and Review Course

This Adult CCRN® & PCCN® exam review will assist nurses who provide direct care to acutely/critically ill adult patients to obtain their certification.

SPEAKER
NICOLE KUPCHIK
Critical Care Nurse

Nicole Kupchik has practiced as a Critical Care nurse for over twenty-five years. She obtained her Nursing Degree from Purdue University in 1993 and a Master of Nursing from the University of Washington in 2008 with a specialty as a Clinical Nurse Specialist.

Nicole is a well-recognized national & international speaker on several emergency & critical care topics. She has taught CCRN & PCCN Certification review courses for more than 12 years. She has had a very productive career which has included numerous publications, launching a Sepsis & Post Cardiac Arrest Hypothermia (TTM) program as well as Quality Improvement in Resuscitation.

She has won numerous national awards including “Nurse of the Year” for Advancing the Nursing Profession by the March of Dimes. In 2018, she was nominated for the Sepsis Alliance “Sepsis Hero” Award for her extensive work in educating healthcare professionals about sepsis.

She has written and self-published six study guides to assist nurses in obtaining board certification. She is also the column editor for *ECG Strip Savvy* published quarterly in American Journal of Nursing.

She is the CEO of Nicole Kupchik Consulting and works per diem at Evergreen Health in the Seattle area.
